Registration Fee

A Registration fee of £25 per child / student applies. This year a registration fee of £25 will apply for all registrations. The registration fee will be returned to the student at the end of his/her studies at the School. This can occur when the pupil has attended all the classes offered by the School or at the end of a given academic year, if the student decides not to re-enroll for the following year. The registration fee is not refundable if the student interrupts his/her studies during and not at the end of an academic year. *(Please note that this departs from our previous policy of returning the registration fee every year and collecting it again with the registration for the following academic year).*

School Fees

The School fees can be paid at the beginning of the Academic Year or in three instalments at the beginning of each term. Please visit our website for more information.

Please note that if your child joins the School mid-term during the Academic year the fee payable will be the equivalent fee for that term (i.e. total annual fee divided by three), in addition to the Registration fee.
